

STREAMLINE3 TRANSFER

Mobile/PC Account Transfer

Below are the details we require to move a mobile connection or computer from one UBT account to another. It is important that both parties sign this agreement. Please note that for mobile connections UBT do not charge for part months, so the customer receiving the connection will be invoiced for a full month's plan rate on the invoice following the account change.

Device Details

Mobile Phone or Streamline3 Serial number to Transfer		End User Name	
Date to be transferred		<input type="checkbox"/> Yes	I agree to the purchase/payment of the monthly Streamline3 Software and System licence fee for this device.

By signing this form, you agree to take this device contract and related charges over from this date
