

UBT Premium Voicemail

Powered by vxt

Your time is precious so stop wasting it on traditional voicemail!

Click below to find out how UBT premium voicemail can benefit you

WATCH VIDEO

This time saving app transcribes your voicemails and sends them, along with an audio file, straight into your inbox – perfect for triaging to someone else in the team to action or simply to remind yourself to get back to your caller.

Special Features = Superior Outcomes

- ✓ Ability to set up Unlimited Smart greetings and assign them to specific contacts
- ✓ Swap between your greetings with ease
- ✓ Unlimited transcriptions each & every month
- ✓ Average voice to text accuracy is 75%
- ✓ Audio included in the email with the transcript
- ✓ Only \$12.99 + GST per user, per month

\$12.99
+ GST

Per user, per month
